

VOLKSSCHULE SAGGEN

Dear Parents,

January 21, 2021

As we thought, we now have two more weeks of distance learning before us. The teachers have told me that the weekly distance learning plans and the online meetings are working well and that the children are making good progress in their subjects. That is wonderful to hear! On my part, I want to say a big thank-you to all parents, grandparents, siblings, etc., who are working so hard to support the children with their learning during this time.

Unfortunately, I need to inform you that the situation at school, through increased registrations for childcare, is growing more difficult. This week there were 60 students divided into 4 groups that were looked after at school. In addition to the group teachers, we also need separate teachers who coordinate and supervise the Zoom meetings for the students.

If additional registrations come in during the next two weeks, I unfortunately will also have to schedule the class teachers for childcare. This would mean that the Zoom meetings would not be able to take place on those days. Your class teacher(s) will keep you informed of the situation.

Morning Childcare for the weeks of January 25-29 and February 1-5, 2021

I will again take the current childcare registration plan from this week and use it for the next two weeks.

If you need to report any changes, please email me (please no SchoolFox messages) by Friday, January 22, 2021 at 12 pm: direktion@vs-saggen.tsn.at

Childcare for Afternoon Club

This week's plan for Afternoon Club will also be used for the next two weeks. If you need to report any changes, please contact Mrs. Mitterer by email at cla.mitterer@tsn.at or by telephone at 0680 321 0078.

As soon as I have detailed information regarding Semester Break, the handing out of report cards and Antigen Self-Tests, I will let you know.

Sincerely,
Gerlinde Prazeller
